“ Cliff III I am so sorry to hear about your dad passing. Please give my condolences to all of your family. I met him when we both were in commercial real estate. He was a man of his word and I never heard anyone complain about him. Alzheimer's is a terrible disease, you know my mother passed away with Alzheimer's. You will carry memories of your father for the rest of your life. Cherish them. I think of my parents everyday. God Bless my friend.
