“ Lynda, I am so sorry to hear that you lost your Mother..You may not remember me but I worked at West Drive In with Doris & Vera..I thought the world of both of them..I worked the curb, but one or the other would fill the orders I turned in..When we wasn't busy they'd hang out by the window & we'd chat away..I think it was Vera that helped me hide the bell from Nan...She kept that thing hot even if nothing was going on..Your Mom & Vera felt more like family to me than just friends..I loved them both like sisters..Just know you are in my thoughts & Prayers..Linda Harrison..
